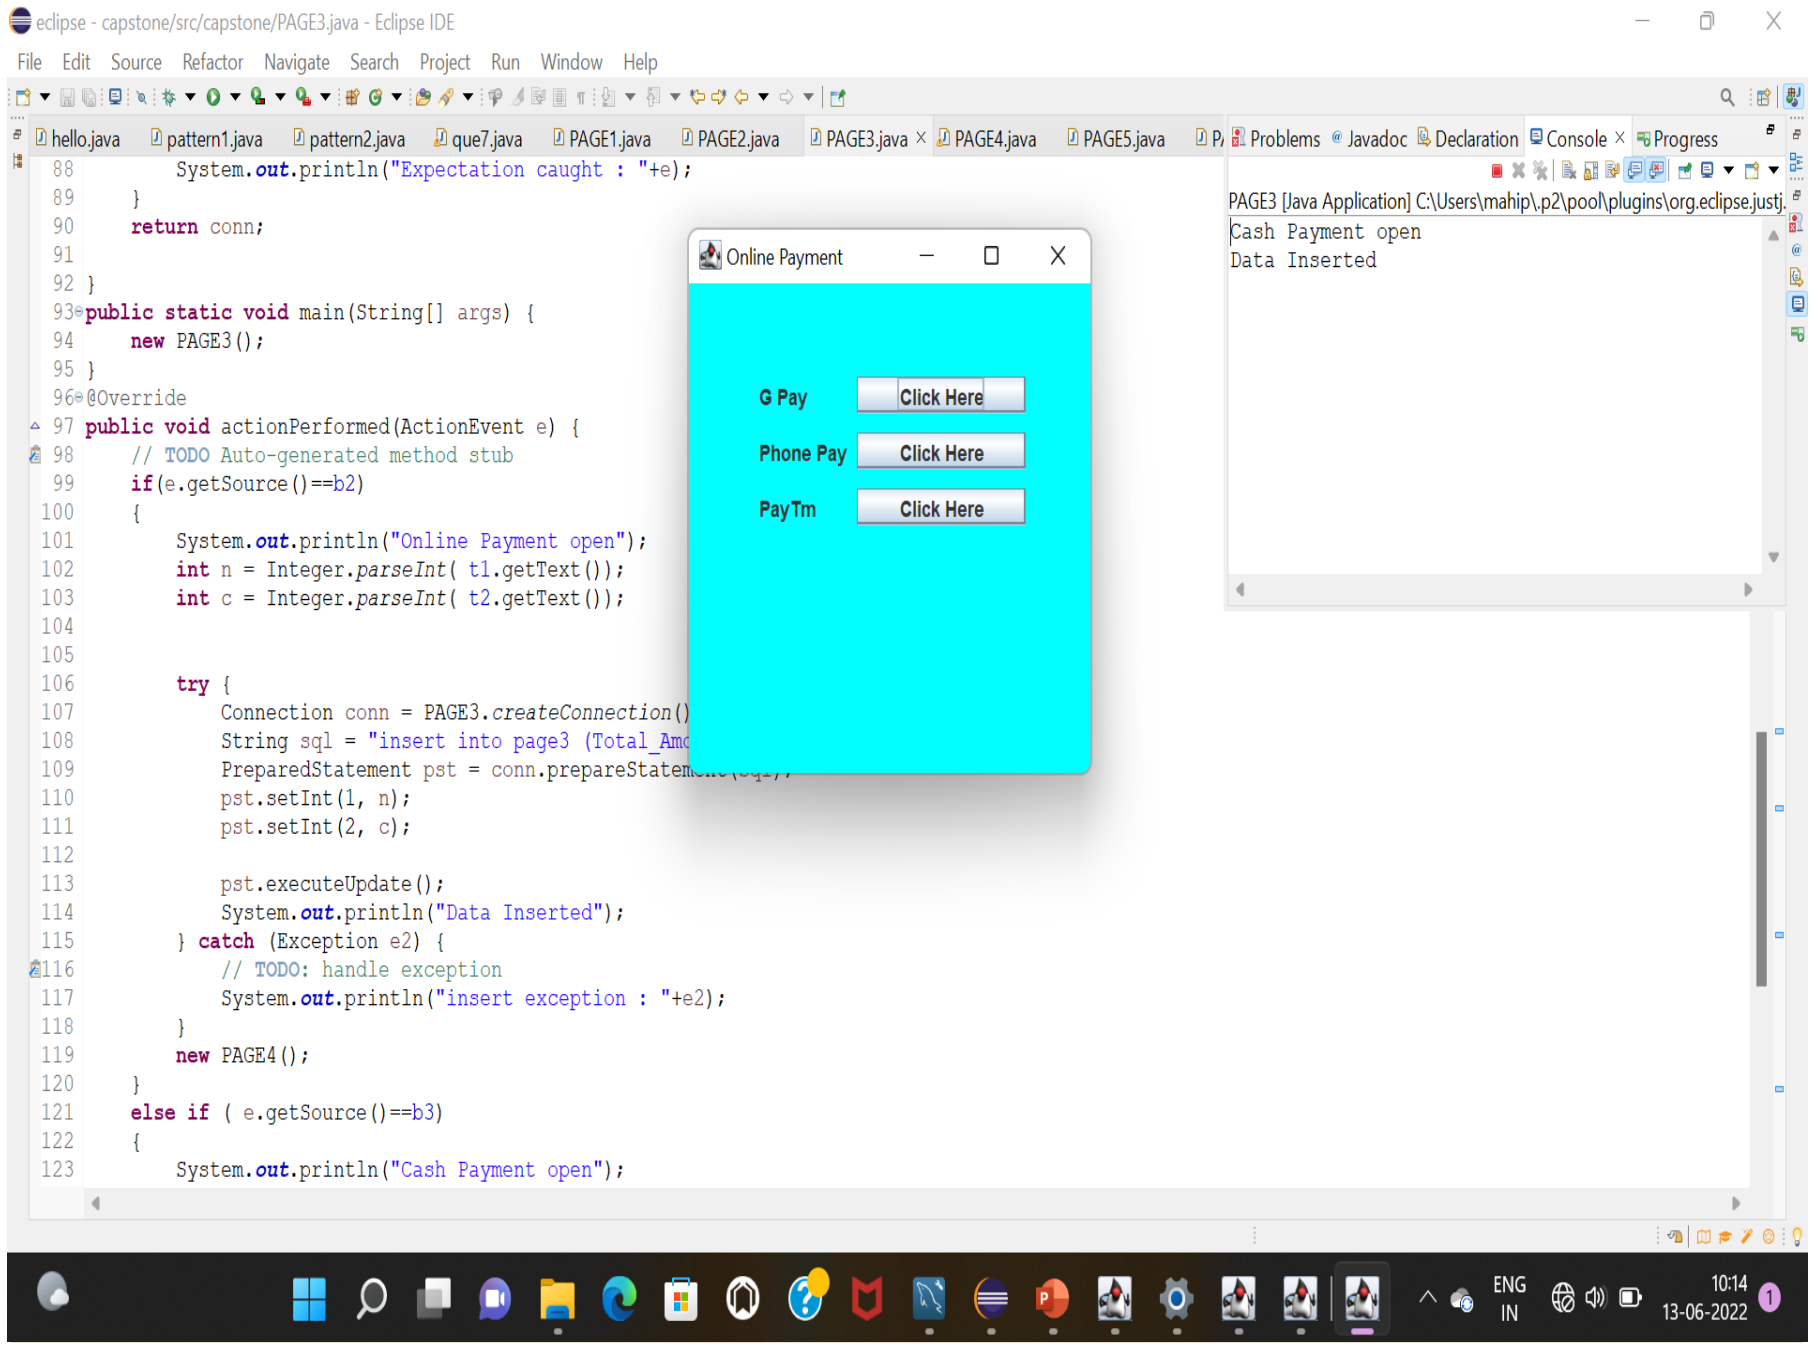
Fourth page:

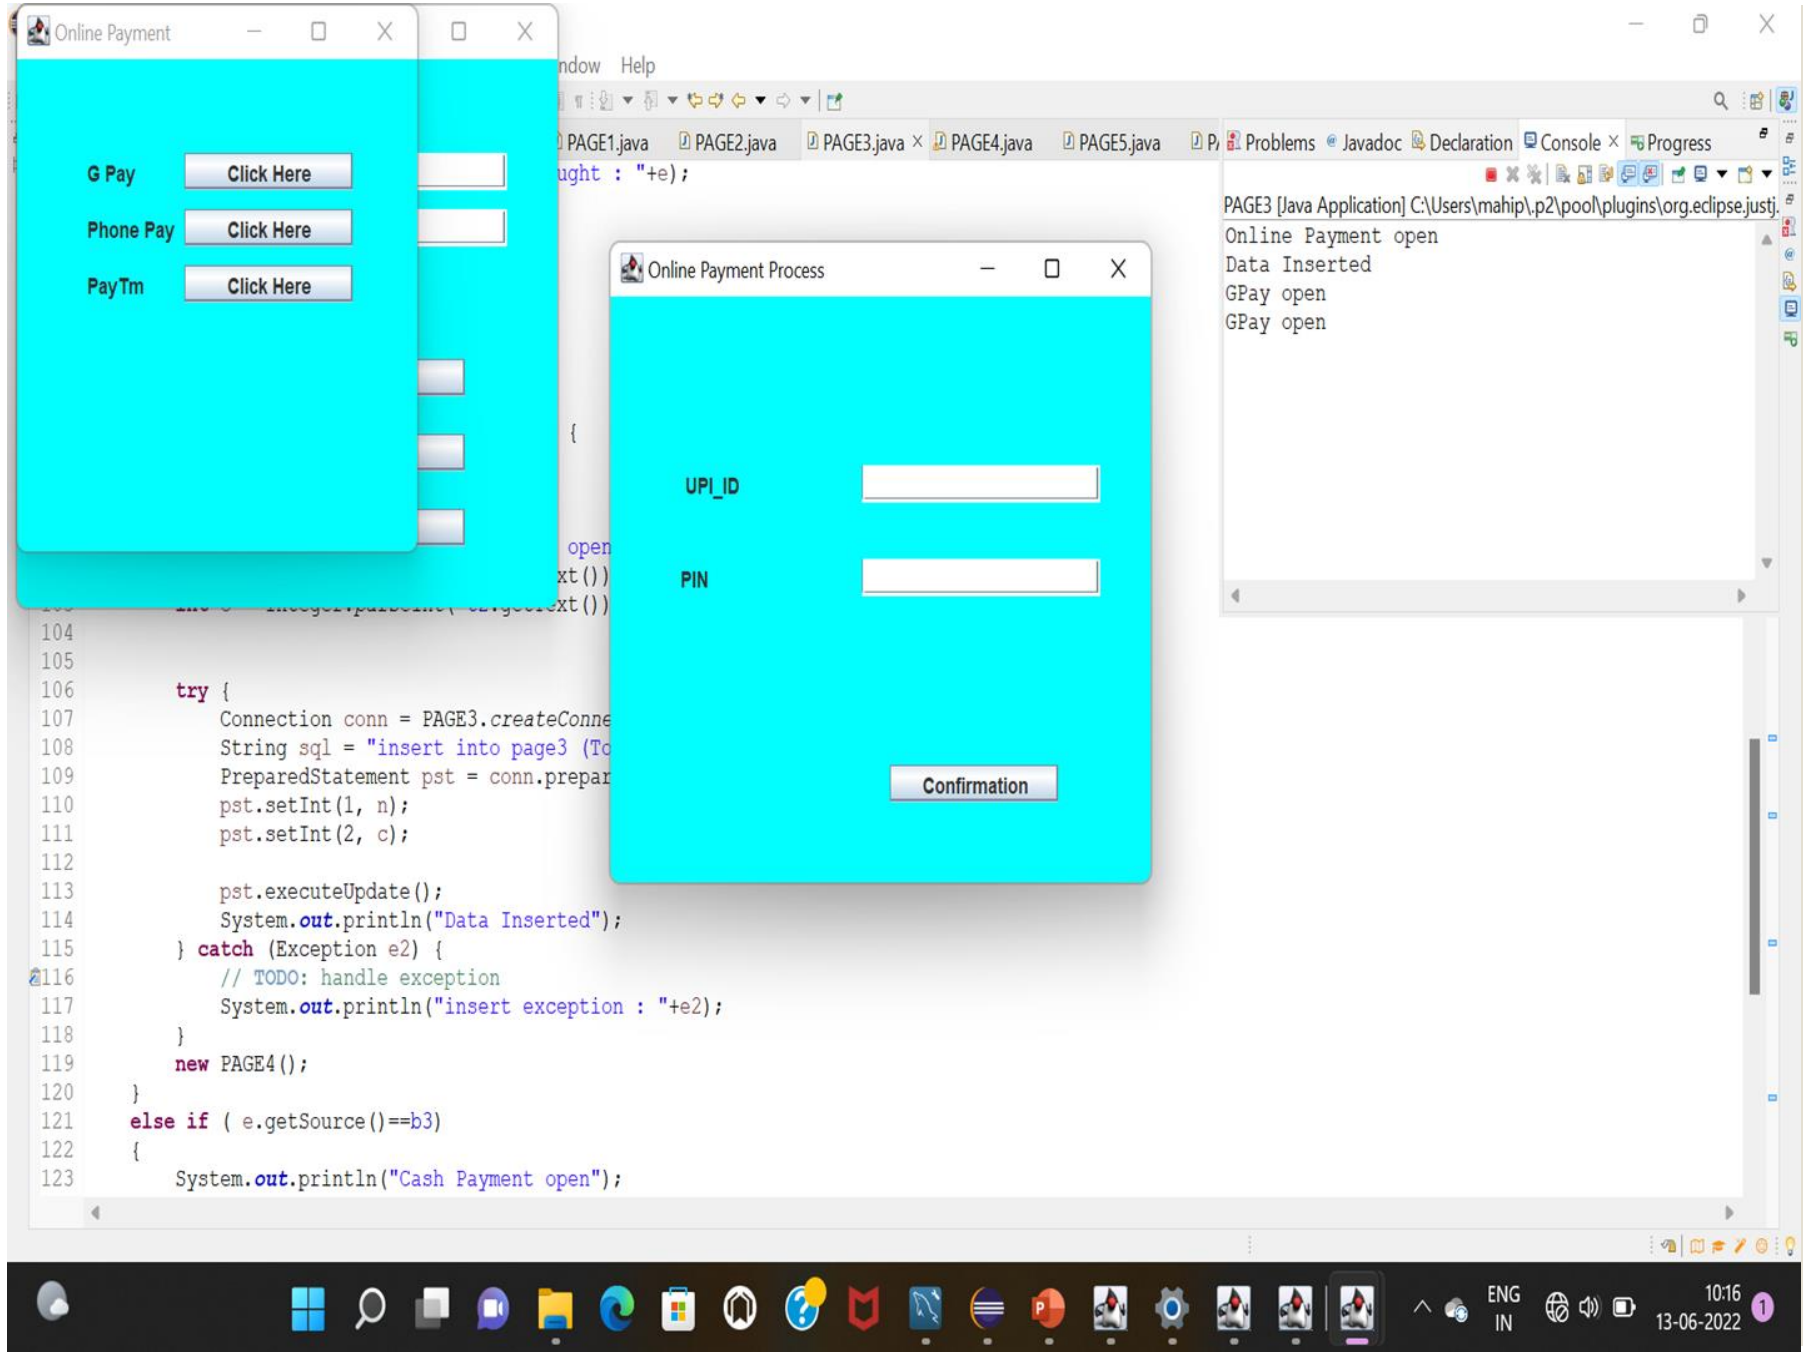
Here you can see when you click online pay button there is open this page and here we see 3 button are available to payment



Console:

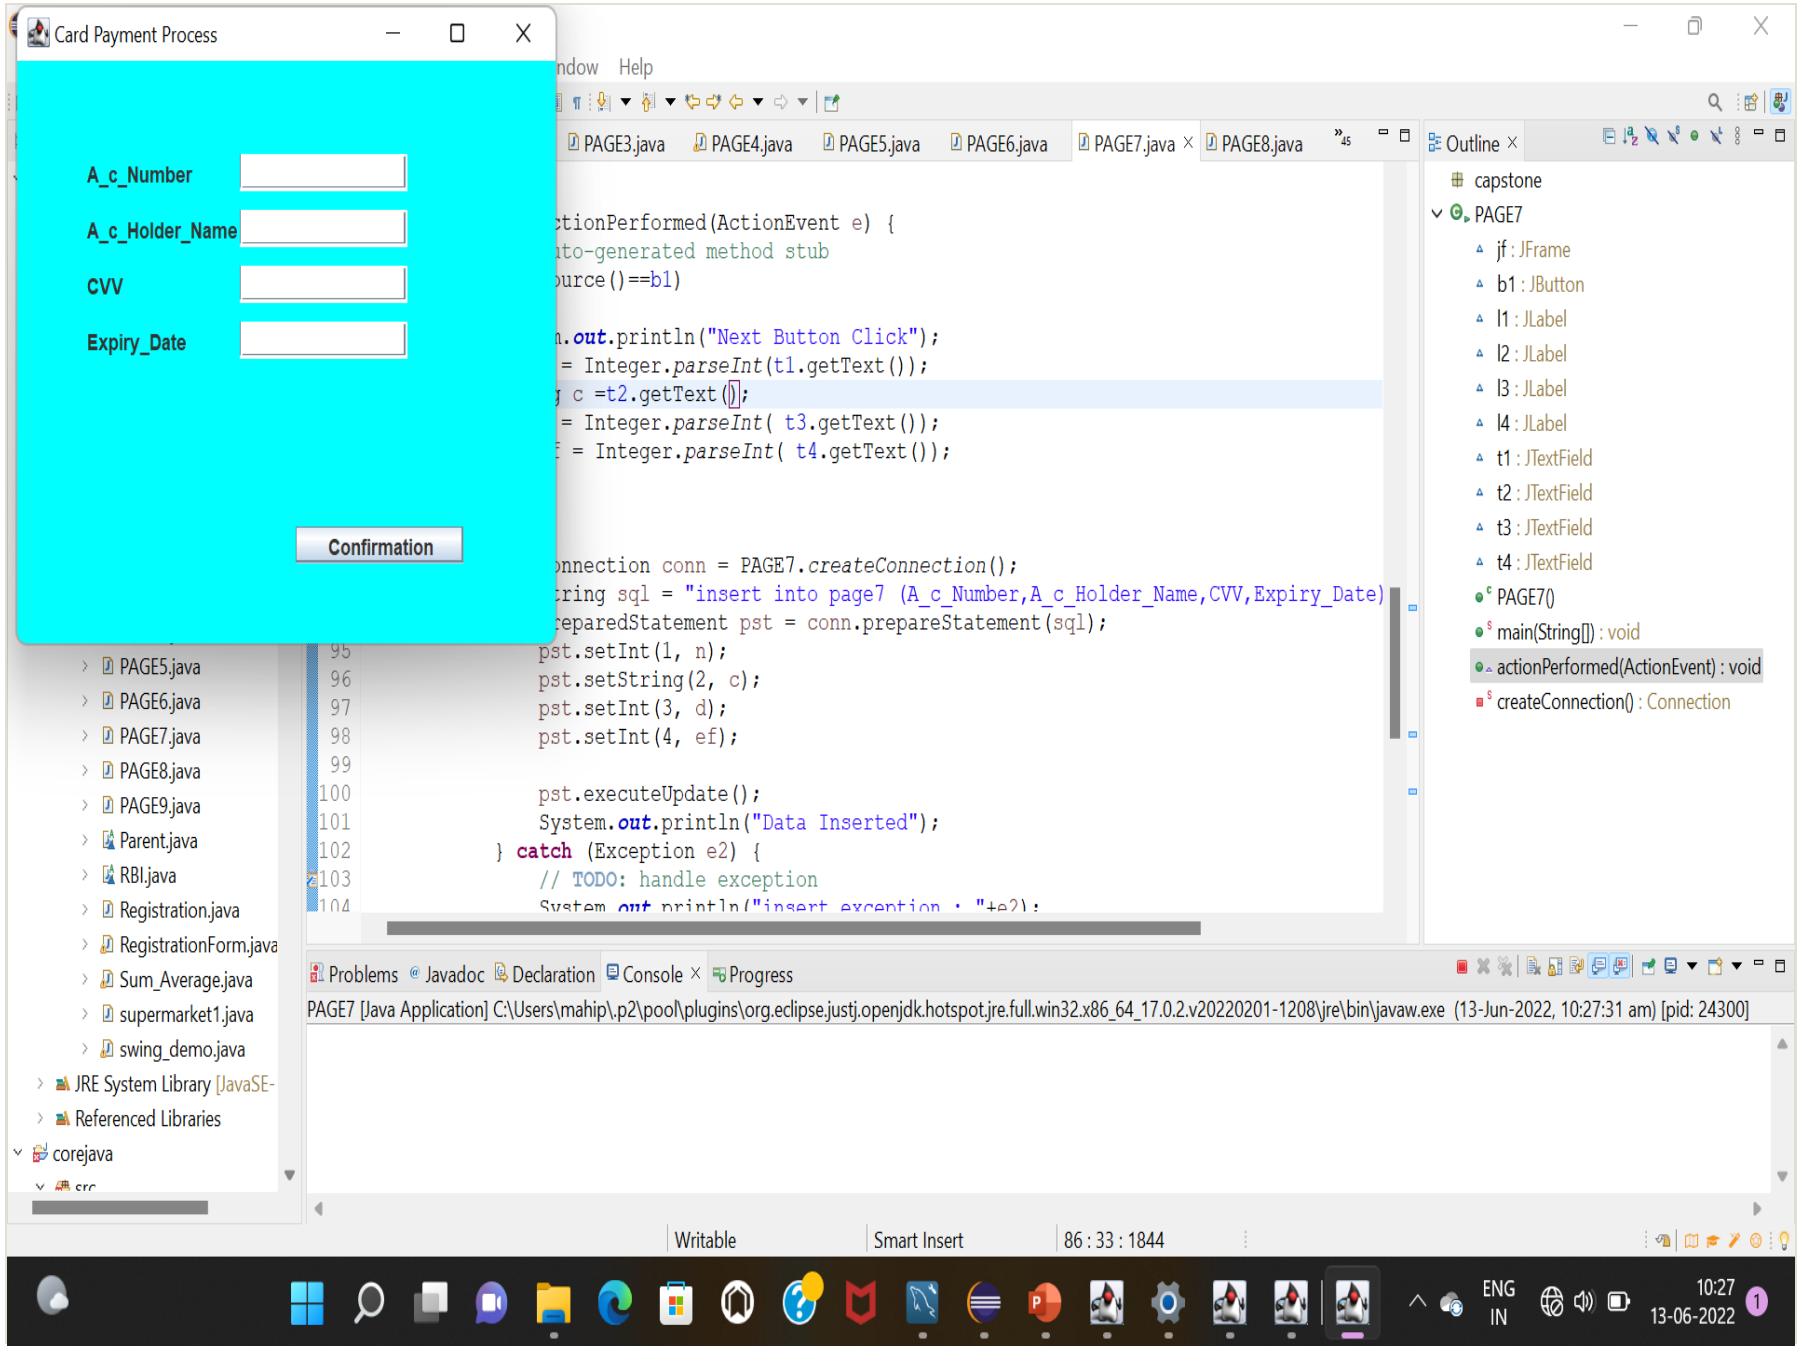
When you click on cash payments you will see the massage on console "cash payment open"

And also see data inserted into the database



New page:

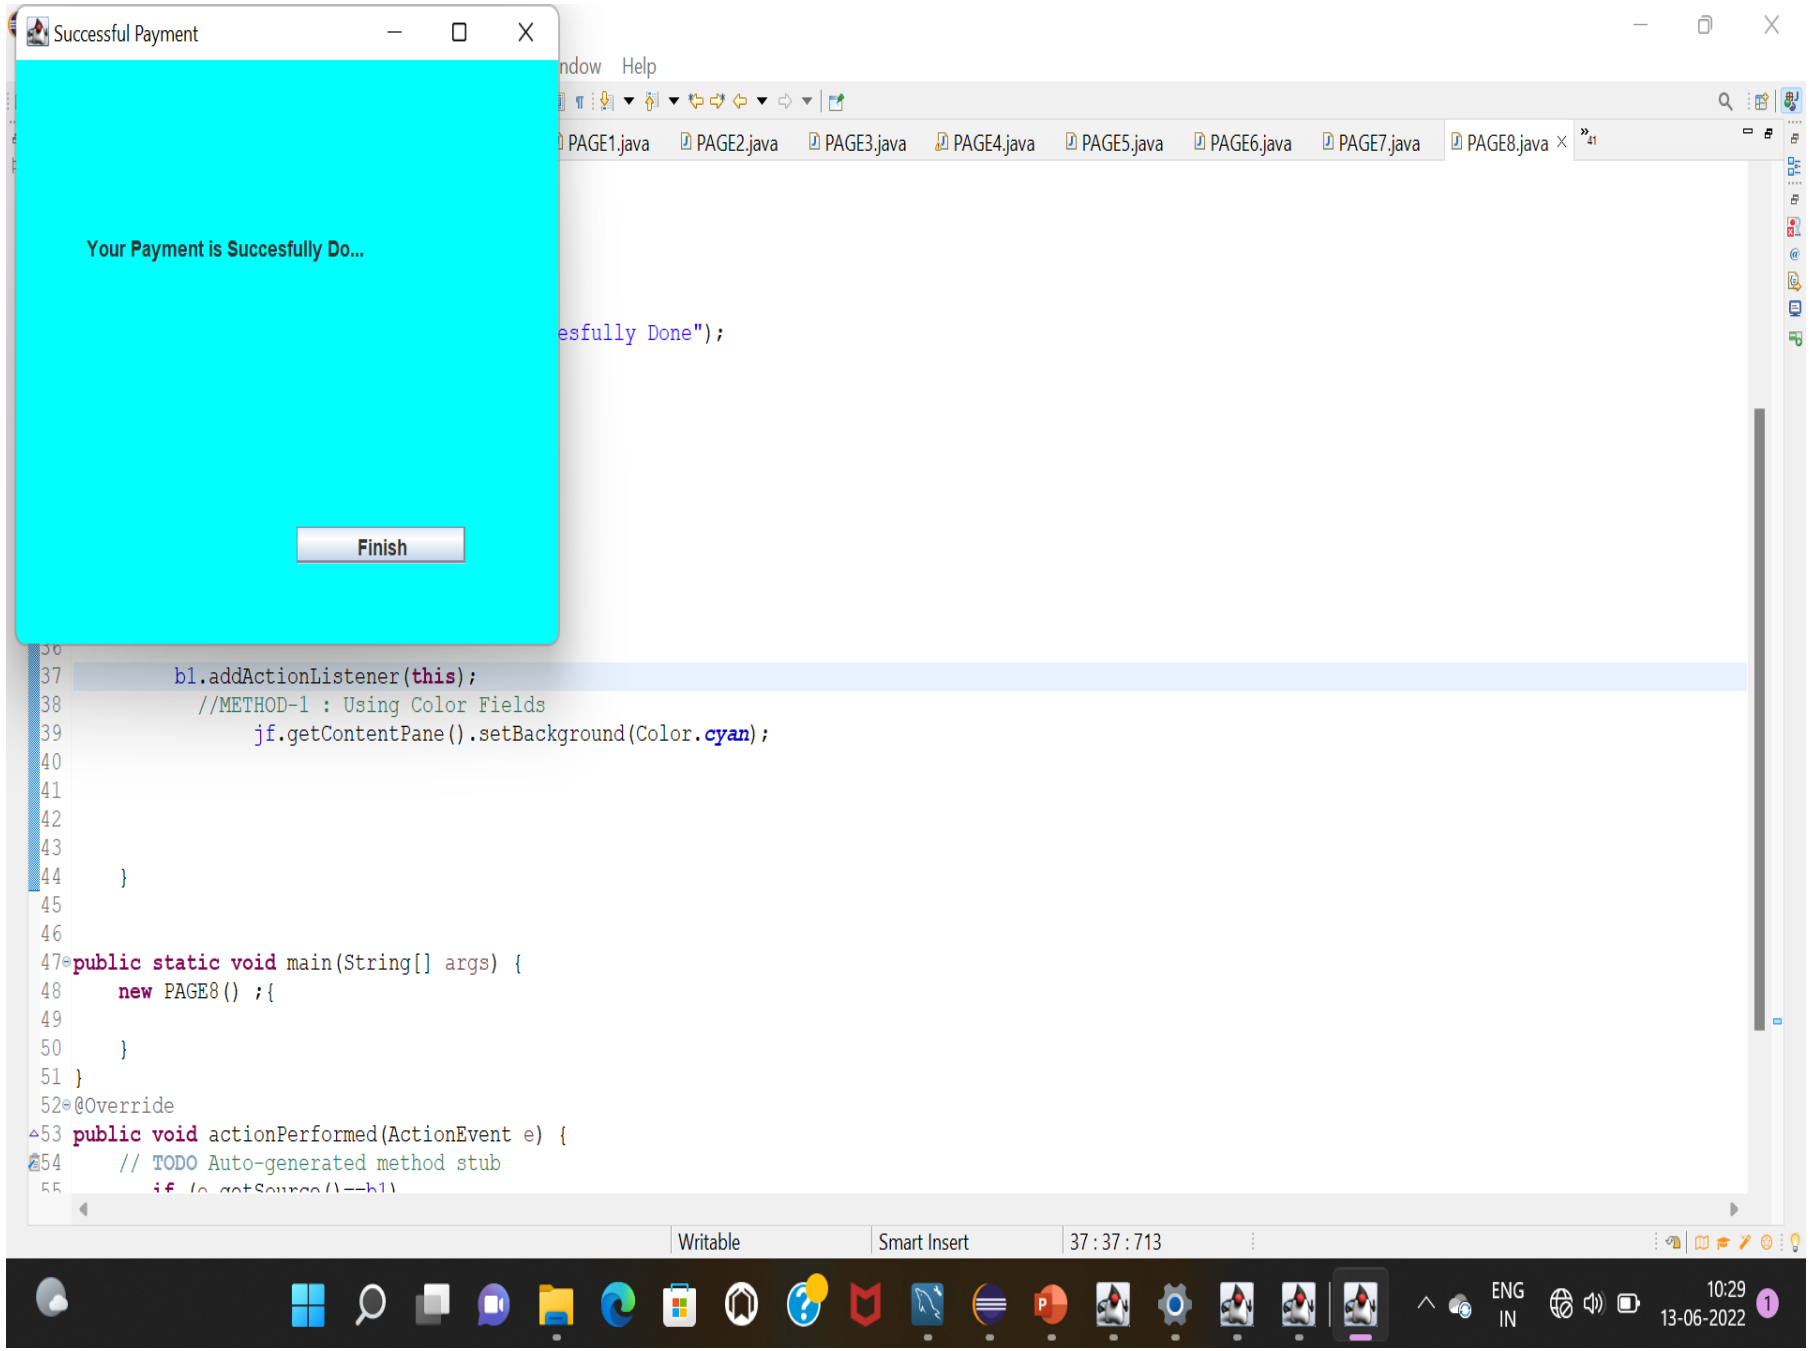
When you click on online payment button you will see another page it's called "online payment process " and when you fill the boxes and click on confirmation you will get another page



New page:

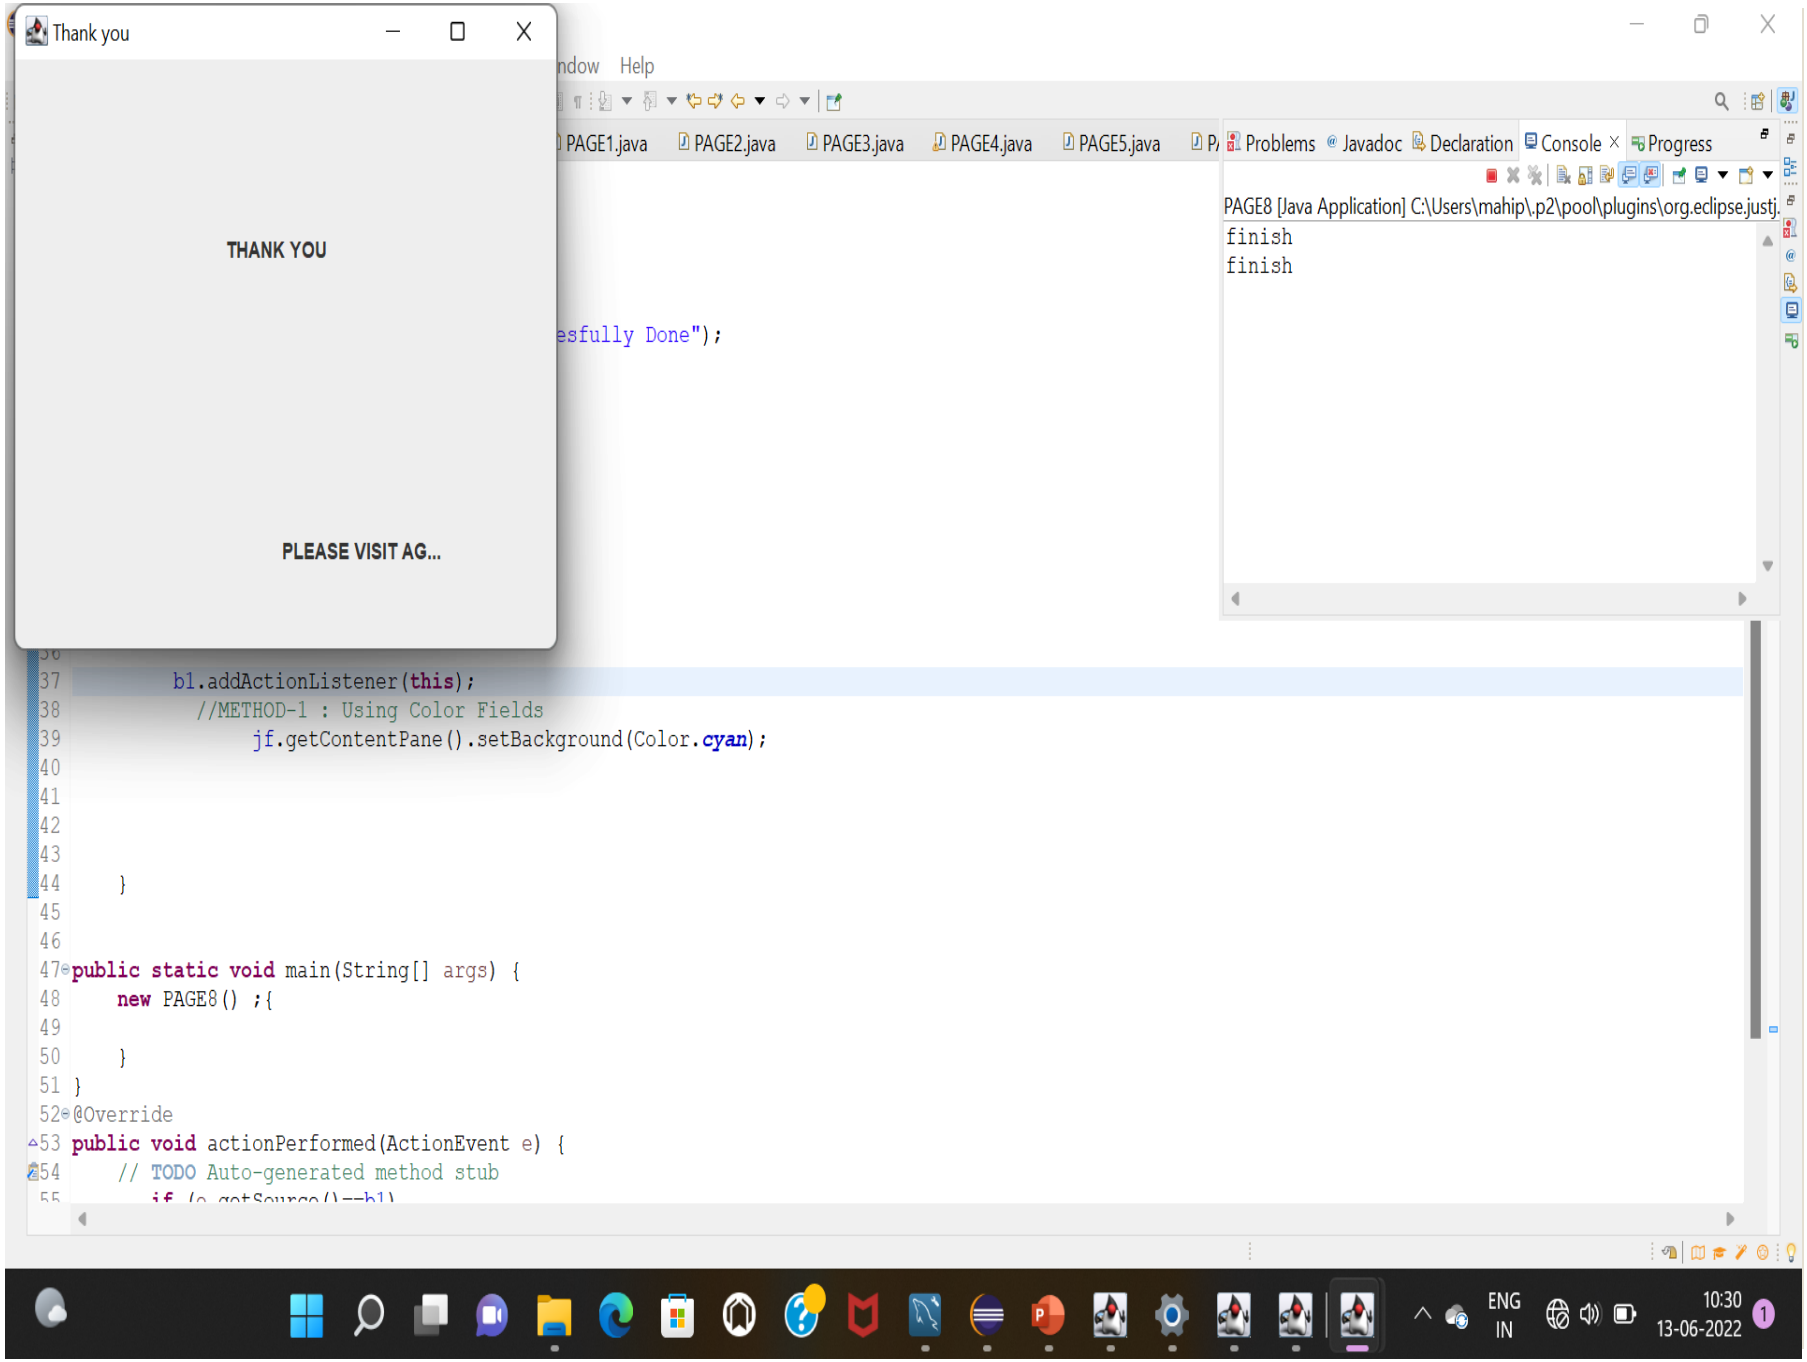
Here you can see when you click third's page button "card payment"

You will see this page and when you fill this boxes and click on "confirmation" you will get another page.



New page

When your payment is successfully done there page is open



Last page

Here is the last page thank you page..
